I understand it is my responsibility to keep the airport manager advised of my current contact information. I also understand I have 3 business days to accept a hangar when it is offered to me, and that I must have an owned aircraft (Part 107 aircraft do not qualify) ready to occupy said hangar within 30 days of signing a lease. Leases must be signed within 2 business days of accepting a hangar. Hangars may not be subleased. Refusing a hangar when available will send your name to the bottom of the list (except dirt floors).
